Black Tickle High Efficiency Woodstove Pilot Project

The NunatuKavut Community Council (NCC) invites residents of Black Tickle to submit an application to participate in our newly launched High Efficiency Woodstoves Pilot Project. Applications are due by 4:30 p.m on Monday, July 11, 2022. An evaluation committee will meet internally and inform individuals of the status of their application within 90 days of the application deadline.

If you have any questions or concerns or require assistance in completing your application, please contact:
